

AMENDMENTS TO THE SPECIFICATION

Replace the first and second paragraphs on page 2 with the following rewritten version:

~~“An object of the invention is to create~~provides a handling system for lifting or moving a person from a first position to another, a user interface and a method that avoid the abovementioned disadvantages.

~~Especially, it is an object to create~~The invention further provides a handling system that allows the handling system to be steered in an easy and natural way e.g. in limited spaces by the lifted person or an assistant.”

Please delete pages 22-23 in their entirety.
